About Me

Hi! I'm **Gerald**,
UX / UI Designer, Front-End Web Developer & Wordpress Designer

I'm a passionate UX/UI Designer, I specialize in designing great experiences for websites, web apps, and mobile apps.

I have strong experience using Figma to create wireframes, mockups, and prototypes. I've been involved in e-commerce, SaaS projects, and dashboards.

I'm also knowledgeable in front-end development, maintaining or updating existing websites in WordPress.
